Film Production Guidelines

Welcome to the City of Los Angeles, Department of Recreation and Parks. In our partnership to protect the environmental integrity of our parks the Park Film Office is providing guidelines to ensure a safe and successful film shoot. Please review and provide copies of these guidelines to the appropriate responsible persons. Thank you for the continuous use of our parkland.

- Ok to shoot stills at the Elysian Park Helipad. (See attached map)
- Ok to have a generator with monitor's discretion.
- Ok to cater on site.
- Ok to have lights, carts, and c-stands.
- Ok to have a truck with cars.(May not block the road)
- Must keep gate leading up to Helipad closed or monitored at all times. Patron vehicles are not allowed on dirt road.
- OK to park production vehicles on dirt road leading to Helipad. Must use dirt road furthest from the baseball fields. Ok to use one closest to stadium.
- Company must not block any fire hydrants and must leave all fire lanes open.
- An on site Fire Inspector must be present as determined by LAFD.
- In event of an emergency, the Fire Inspector, along with the Park Film Monitor, will direct as necessary to vacate the Helipad or evacuate the park. This directive will be strictly enforced regardless of the status of film activity. **Location Manager must be aware of this risk.**
- Vehicles parked on the Helipad must be parked and attended in such a way as ALL vehicles can vacate the Helipad within 5 minutes.
- No standing sets, catering trucks, generators, dressing rooms, or other equipment that cannot be readily moved or driven off is allowed on Helipad.
- When vacating the premises, vehicles must vacate as to not damage the Helipad surface. Watch for raised edge as to not "bottom out" on the Helipad. Company will be held responsible for restorations.
- Pyrotechnics, stunts and special effects require approval of the Park Film Office.
- Must leave a 20' emergency lane clear at all times.
- Vehicles and/or heavy equipment are not allowed on turf areas unless prior approval is given by the Park Film Office.
- Production companies must provide their own restroom and trash receptacles. The City dumpsters and trash cans cannot be used so all self-generated trash has to be removed and disposed of off-site.
- Film permits do not provide exclusive use of a park or recreation area.
